4. Notice that the employee may inspect copies of all materials upon which the action is based, and
5. Notice that the employee has the right to respond orally or in writing within ten (10) days to the department head initiating the disciplinary action. No hearing before the City Manager is available to review oral or written reprimands.

An employee who responds orally or in writing to the department head shall be entitled to meet in an informal conference with the department head and shall be given the opportunity to rebut the charges against him/her or to state any mitigating circumstances. In the case of oral or written reprimand, the department head's decision shall be final. In the case of discharge, demotion, suspension, or reduction in pay, the department head or other City designee shall hear and consider the facts presented by the employee and shall thereafter submit a written recommendation to the City Manager to either impose, rescind or modify the proposed disciplinary action. The recommended proposed disciplinary action shall also be served on the employee. The recommendation shall contain:

6. The specific type of disciplinary action;
7. The specific reason(s) or cause(s) for the actions;

- 29.3 Final Notice of Disciplinary Action: Following review of the department head's recommendation and the determination by the City Manager, the City Manager shall prepare a Final Notice of Disciplinary Action, advising the employee of the action to be taken, its effective date, and the employee's appeal rights.
1. Disciplinary action shall become effective on the date stated in the Final Notice of Disciplinary Action, unless the date is otherwise extended by the City Manager.
 2. The City Manager shall file a copy of the Final Notice of Disciplinary Action with the Human Resources Director. The Final Notice of Disciplinary Action shall be delivered personally to the employee or shall be sent by registered or certified mail.
- 29.4 Appeal of Disciplinary Action: In the event of a demotion, suspension or dismissal, and the affected employee is not satisfied with the decision rendered by the City Manager, the employee may appeal the decision. The employee may appeal disciplinary decisions by filing a written appeal with the Human Resources Director within fifteen (15) work days following service of the Final Notice of Disciplinary Action. The written appeal shall contain a written reply to the charges against the employee and written request for an appeal hearing. The employee shall submit a copy of the appeal to the City Manager.
- 29.5 If an employee submits an appeal, the City shall refer the case to a neutral hearing officer selected through the California State Mediation and Conciliation Services to hear the appeal and submit an advisory decision to the City Manager. Selection of the hearing officer shall be made by the parties' mutually selecting a list of 7 neutral hearing officers from the office of the California State Mediation and Conciliation Services. Absent mutual agreement on a name on the list, the parties will strike names from the list for final selection of the hearing officer. The selected hearing officer shall adhere to the following standard of review and hearing procedures:
1. The appeal hearing shall be informal and strict rules of evidence shall not apply.
 2. The parties will have the right to present and cross-examine witnesses, issue opening and closing statements, and file written closing briefs. Witness testimony shall be under oath or affirmation.
 3. The hearing officer may exclude testimony or evidence which he/she determines irrelevant or unduly repetitious.
 4. Attendance at the appeal hearing shall be limited to those determined by the hearing officer to have a direct connection with the appeal. Witnesses normally would be present at the hearing only while testifying and should be permitted to testify only in the presence of the employee or his/her representatives and the City's representatives.
 5. The appeal hearing will be held on the City's premises.
 6. In conducting the appeal, the hearing officer's authority/jurisdiction shall be limited to reviewing the factual basis supporting the discipline and determining that the factual basis was reached honestly, after a fair, appropriate and procedurally correct investigation and for reasons that were not arbitrary, discriminatory or pretextual. Should the hearing officer, conducting the review specified above, affirm the factual basis for the discipline decision, he/she may not substitute his/her judgment for that of management's as to the level of discipline imposed. Should the hearing officer not

affirm the factual basis for the discipline, the normal remedy will be to remand the matter to the decision level where the error occurred for reevaluation and/or correction consistent with the hearing officer's findings. In such a case, the hearing officer will have the authority to retain jurisdiction over the appeal to ensure compliance with the remand decision.

7. The cost of the hearing officer shall be borne by the City. The parties will share equally the cost of the court reporter and each side will bear their respective costs of representation.

29.6 Any decision of the City Manager shall be final and binding.

29.7 Judicial review of any decision rendered under this section shall be governed by Code of Civil Procedure section 1094.5
